Joan Murphy

Sierra Vista, ALAZ 85635

I am totally against this proposal and shocked at the way it was proposed. Sending notices on April 10, 2015 for a proposal to become effective on April 15, 2015 is tantamount to no notice at all! I only received mine on the 13th.

I would question the numbers and I would ask the commissioners to consider the negative impact this proposal could have on a viable industry in our state which is already hurting so badly.
